# Bikes for all

## Unlock

As easy as scanning a QR code with the mobile app, tapping your smartphone or transit card at a smart dock or using your credit card at the kiosk.

## Ride

Choose either a bike or an e-bike. Our smart stations give eco-friendly urbanites the ability to select the ride that best suits their journey.

## Return

Dock & lock your bike at any smart station with ease. E-bikes will automatically start charging.

### FIT

#### **Fun, light, dynamic**

The ultimate riding experience for all types of riders.

### BOOST ⚡

#### **Electric, robust, safe**

The electric pedal-assist technology takes riders further, faster and up hills with ease.

### Multimodal

#### **Efficient, secure, sustainable**

Dock and charge e-bikes & e-scooters in one smart station.

### E-FIT ⚡

#### **Agile, innovative, reliable**

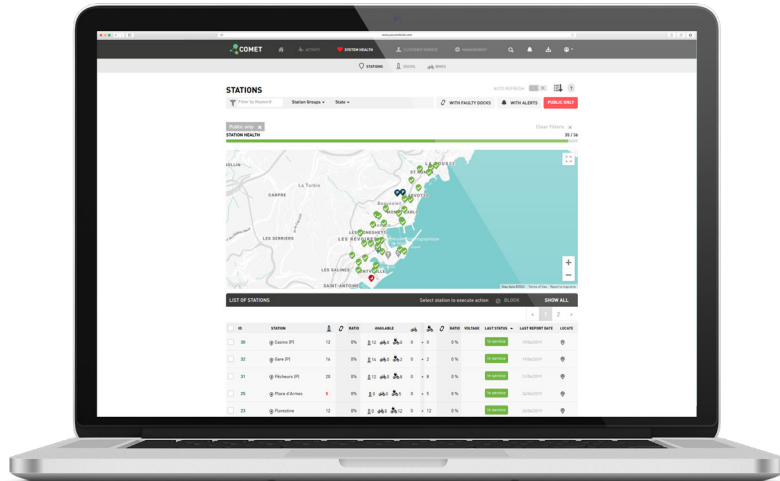

This advanced e-bike technology gets riders where they're going safely, without breaking a sweat.

### ICONIC

#### **Original, durable, proven**

The bike that launched an entire mobility movement.

# Connected tools

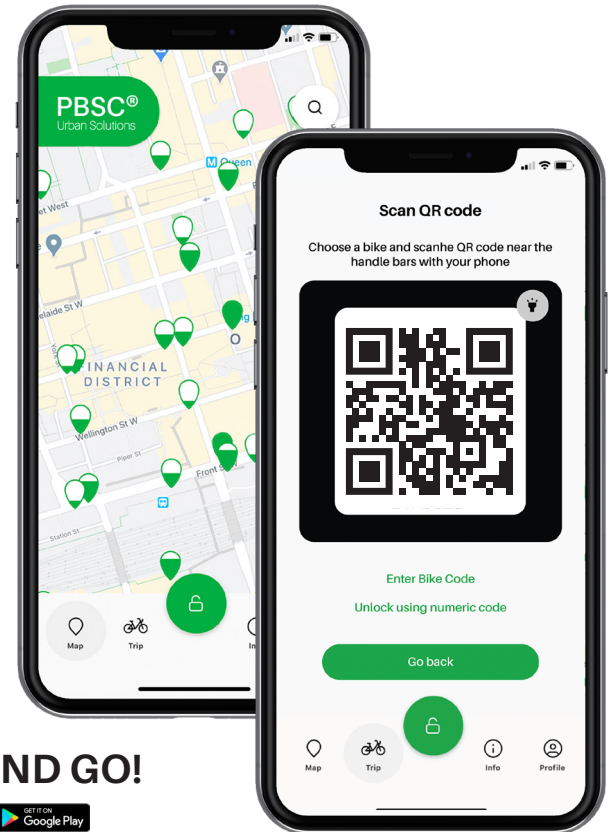

## Comet

An integrated and intuitive solution that helps cities and operators manage their bike-share fleet. Accessible from any device, it provides live information on your system.

## PBSC App
